Dear Sir / Madam,

**Business Support Service**

Following a fundamental service review of economic development, Stirling Council's Economic Support & Tourism function has been transferred to STEP (Stirling Enterprise Park Limited).

STEP will provide a single door approach for business support providing practical help and assistance to businesses from start up through to high growth, delivered by experienced advisors, with specific sector expertise, encouraging entrepreneurship and assisting businesses to expand and prosper.

From Wednesday 16 October 2013 all of your business support needs such as training requirements, property and venue hire, funding, business advice, business growth, redundancy support, tourism and economic support activities and much more, will be dealt with by staff at STEP:
